

## OPPORTUNITY TO LIVE

## AND LEARN:

Because nothing is more important than a comfortable, nurturing home, EBI provides residences to folks with disabilities in a variety of settings. In some cases, these residences are the first real homes our residents have ever had.

The supervised facilities are staffed at all times that residents are on site. All folks are assisted in social skills, as well as daily living skills to help facilitate growth.

- » Personal Hygiene
- » Domestic Skills (cleaning)
- » Functional Skills (money management, meal planning, cooking, grocery shopping, etc.)
- » Recreation Planning
- » Community Skills (self-protection, pedestrian skills, integration, etc.)
- » Socialization Skills
- » Vocational Skills
- » Other Areas of Interdependence
